

THEMED EVENTS

'IT'S CHILDS PLAY'

funfilled

exciting

adventure

During the year we host a variety of children's themed photography events in our Coxhoe studio. So why not dress up your little ones and come along to one of our mini Themed Photo Days. Booking is Essential. Children will be photographed in our themed studio area and your favourite images will be printed instantly for you to take away.

The mini photo shoot and a large mounted 9x6 print will cost £10 per child. You will have a choice of approximately 10 images to choose from. Additional products and print sizes will be available on the day, you could even order a poster for their bedroom wall.

Examples of our Themed Mini Photo Shoots are Frozen, Superhero, FireFighters, Winter Wonderland and many more.
